The Australian Navy Cadets is a voluntary youth organisation sponsored by Defence through the Royal Australian Navy. There are 91 units across the country, in 8 regions, with each unit having from 20 to 80 Cadets. Each unit has its own name and identity and is staffed by Australian Navy Cadet Officers and Instructors.

Permanent Defence Force Personnel are welcome to apply for secondment positions.

Cadets learn about sailing and seamanship, and are encouraged to explore their own potential. Cadets also learn leadership skills and effective communication; they develop confidence, pride and self-discipline. But at the top of the list is FUN!

For more information please contact Lieutenant Commander Wayne Carney, ANC, on telephone 0414 335 881, or by sending an e-mail to Wayne.Carney@cadetnet.gov.au
